***We will be printing historical info about our church for our 150th Anniversary celebration all through 2022.***

The history of Methodism in Lake Orion dates back to the year 1825 when the pioneer missionaries first visited this locality. Elder Warren, a Methodist, Elder Norton, a Baptist, and Elder Earl, of the Protestant Methodist faith, are remembered as being among the first to “proclaim the gospel.” Among these sparsely settled regions of the country they held their meetings in the homes of the most prominent settler in different localities. From 1831 on, some form of church service was made available through gatherings in homes or schoolhouses by these circuit riders. Early mention is made of the Clark and Eaton schoolhouses. These services were conducted in by a Reverend Fraser who had a multiple circuit to cover by horseback. Later records of an 1863 quarterly meeting indicate that a Brother Brophy had the Oakland Circuit and was paid \$540 a year, while John Kupel, Presiding Elder, received \$60. This \$600 was divided among the six parishes served as follows: St Johns \$240; Orion \$125; Lakeville \$125; National \$40; Baldwin \$35; and Biglers \$35. No doubt the earlier ministers received less than that.

Please pray fully consider helping with events with your time and funds. We want to celebrate 150 years of our church. Contributions can be made to LOUMC with “**Anniversary**” in the memo line on the envelope.

# *Volunteers in the Spotlight – Past and Present Operators*

During the COVID shutdown, our church was able to stream services to all who were sheltering in place using equipment and a system that has been in place for quite some time. A decision was made long ago – and then volunteers stepped up – to make videotaping, and then livestreaming, a reality at Lake Orion United Methodist. Perhaps the original reason for the videotaping was to allow our snow birds the option to stay involved and up to date with our “snow-bound” congregation. This expanded into our COVID services, including Sunday morning services and several funerals where COVID protocol prevented in-person attendance. Let’s meet some of the volunteers that make this ministry possible.

**Bill Stark** started working with livestreaming before it was even livestreaming! Back in 2014 he began working with the projection system, prepping for the service (so he thought). Recruited and trained by Debbie Heyboer and Kim Alhborn to work with the system, he was soon able to handle the Sunday morning services, although he remembers it feeling a bit like learning to swim by being thrown in the lake! Bill had volunteered in several capacities before: singing in the Choir, actively participating on the Administrative Board (now our Church Council), as well as the Finance and Building committees, but found that with some health issues beginning to appear, these avenues for volunteering were no longer feasible. Believing that the strength of our church depends on people doing the work of the church, he was searching for a way to volunteer that didn’t need much physical effort – and found the projection system! It allowed him to volunteer while sitting down, without taxing his breathing. He and his wife, Carol, have health issues now that prevent them from attending services as much as they would like, and they are able to continue to participate through the ministry that he helped establish.

**Kirk Ulery** began working the projection system during COVID to help Pastors Larry and John during the service. He had some experience in college with projection and sound systems, as well as at his previous church, so he volunteered to come on Sunday mornings during COVID to help “push buttons”. While this was a tremendous help to both Pastors,

# ***Bill, Kirk, Diann, and Laura – of the Live Stream Ministry***

Kirk worked on improvements to the system. He implemented ways to move the camera, zoom in and out, and feed the computer-generated content directly to the viewers for a much clearer sound and visual. In order to do this, he used money donated for livestreaming in the Memorial Fund. Kirk has volunteered in several areas in the 15 years that he has been a member at LOUMC. He's currently on the Staff Parish Committee, and is in the Choir. He's also served on the Nominating Committee and works with the United Methodist Men, has helped in the kitchen for Community Meals and led teams for Project Shalom. He feels a need to make a difference, and volunteering enables him to do that. It was surprising to find that we have such levels of need – in services and with food insecurity – this close to us here in Lake Orion. He says you get so much more out of volunteering than you put in – plus the social interaction – and you are still making a difference!

***Diann Orlowski*** began working the livestream set-up after being recruited by and learning from Bill Stark and Kim Ahlborn. Prior to COVID, Bill and Diann input all of the information, and ran the board. Diann had some experience with Audio Visual processes, had served as an usher, and worked with LOUMC LOGOS, the Link and Blessings in a Brown Bag. She first came to LOUMC in 1999 because it reminded her of her home church in North Carolina. She feels that by volunteering, she becomes one of the spokes on the wheel that enables good to happen. The memorial gift that provided funds for the livestreaming set-up has provided a way for many people to see the services on their own schedule, and in their own home. This was especially comforting during COVID, when people were able to view services and funerals anywhere in the world. As the church began opening up, Diann worked with Kirk to learn about the system updates. Diann enjoys being able to talk to people about the livestreaming set-up, enabling her to share about the church's outreach in natural conversation.

***Laura Markarian*** was recruited by Diann to work with her and to alternate time with her. The livestream set-up operators are volunteers, and both Diann and Laura appreciate that they have each other as trained backup! Laura came to LOUMC from another Methodist Church, where she was very active, and wanted to find a way to "plug in" here, too. She has worked with Community Meals, and feels that it's just as important, and perhaps a bit harder, to offer your time to projects as it is to support them financially. Both are important, but volunteering your time and efforts make you feel a part of the church. Her work on the livestream set-up has enabled her to connect with the sermon messages in a different way as well.

LOUMC has depended on skilled and trained volunteers through the years to make our livestream ministry a reality. We are thankful that so many have donated their time and talents to this ministry!

## A NOTE FROM OUR PASTOR

Along with the small groups, we will also continue a small group offering on Tuesday morning (10:30-12:00). I will also continue the Wednesday morning session as a Sermon Review group which you can either attend on a regular basis or come in and out of as you have interest in, or questions about, any particular sermon. And we continue to encourage others of you, as you feel called or inspired, to facilitate a small group of your own. I am more than happy to help you find materials and launch your group.

September will also be the beginning of a new sermon series I have put together: ***The Journey of God's People***. Using the journey of the people of Israel as our framework - from their slavery in Egypt, through their journey in the wilderness, their establishment in / exile from / and eventual restoration to the land – we will reflect on *our* struggles to be and become God's people in this age. Reflecting on our own congregation's journey as we celebrate our 150<sup>th</sup> Anniversary on September 18<sup>th</sup>, we will seek to preserve the wisdom of the past, while praying and working our way forward into the next 150 years of

## Small Groups for the Fall...

Join Ken and Amy Elwert as we learn and practice together on the internal, external, and group habits helpful for drawing closer to God. The study will use Richard Foster's book ***Celebration of Discipline***.

Classes will be in person, every other week on Wednesday night, starting September 14th, from 6:30 - 8 pm at the Church overflow room 120. Study will go through December, and possibly longer depending on the desire of the group. For more info contact Ken by email at [ken@elwert.org](mailto:ken@elwert.org) or Amy by phone at 989-942-7294.

Bryan Thom will lead a small group this Fall. Book reading is ***The Wesley Challenge***. The book covers John Wesley's 21 Questions that are intended to "open up our minds, hearts and hands to develop (improve) a lifestyle of practicing the disciplines of our Christian faith.

The book format suggests the group meet for 3 weeks but I want to meet 7 weeks with the first week for a meet-n-greet and general overview discussion. The workbook has some learning and activity suggestions to follow that would be good to discuss as a group at the first meeting.

Proposed weekly meeting: Monday night 7 pm

Proposed start date: Oct 17th

Location: Church Overflow room 120, Also with ZOOM for anyone preferring online format.

Any questions, please feel free to contact Bryan Thom 248.762.1141 (phone only after Sept 7) or email of [bryanthom1@gmail.com](mailto:bryanthom1@gmail.com).

# **Announcement to Congregation**

## **Resignation of Dawn Ames**

It is with both joy and sadness that the SPRC must announce that Dawn Ames will no longer be our Family Ministry coordinator as of August 12th. We are thrilled for Dawn that she will be the new Executive Director of Michigan Abolitionist Project. They are fortunate to have her at the helm of this important non-profit organization dedicated to preventing human trafficking. Dawn will use her enthusiasm and passion in caring for and protecting youth and children by working with this much needed organization.

Dawn has worked tirelessly to create inspirational programs for the children and youth here at LOUMC. She has been a force in reaching out to the children and families in our community with Blessings in a Brown Bag, Math Club, VBS, Project Shalom and countless other projects. She is truly irreplaceable and we are saddened to lose her in this role.

While we are filled with joy that Dawn will continue to be an active member of our church, there are many volunteer positions that will need to be filled during this transition. As Staff Parish is working toward future staffing needs, Brenda Brubaker-Ulery has graciously offered to organize the curriculum for Children's Ministry.

We will need 4 volunteers on a schedule that alternates each month. This will ensure that the nursery has 2 adults each week. We do not have consistent attendance in the nursery, so if no children arrive, volunteers can go up to church at 10:15.

We also need 4 people to teach/assist with Sunday School on the alternating monthly schedule. The curriculum will be provided to volunteers ready to use.

While this a challenging time for ours and every church, it is also an opportunity to step up and offer your time and talents. We want to be a welcoming church for young families. We will need to have the commitment of church members to make this happen. We are the church.

# Donate Pill Bottles

**UMW are recycling used pill bottles. This is an easy way to help people in need. They can be dropped off by the office or fellowship hall. Thank you for your help!**

Matthew 25: Ministries accepts donations of empty plastic pill bottles for inclusion in shipments of medical supplies. Pill bottle program fulfills the dual needs of improving medical care in developing countries and caring for our environment.

Acceptable collection items include:

- Prescription and over-the-counter pill bottles
- Large and small pill bottles
- Pill Bottles with and without secure caps  
(child resistant)

Pill bottles that are not appropriate to include with shipments of medical supplies are recycled for cash that goes towards Matthew 25: Ministries' programs. If you wish to prepare bottles for shipment rather than recycling, please adhere to the following guidelines:

- Bottles included in shipments of medical supplies must have an all plastic lid.
- Remove labels, leaving no glue or residue.
- Wash bottles in very hot water and dish soap.
- Rinse and dry thoroughly.
- Replace lids on clean, dried bottles.
- Put in plastic bags to keep them clean.
